Medical Library

University of Jaffna

# **WELCOME to the Medical Library**

## **University of Jaffna**

- **Medical library is one of the branch libraries of the University of Jaffna.**
- **Established in 1978.**
- **It mainly supports the undergraduate medical & Allied health sciences education and in its learning, teaching and research activities.**

# Main Library

# Branch Libraries

- Medical Library
- Engineering Library
- Agriculture Library
- Technology Library
- Siddha medicine Library
- Fine arts Library

# What do we do?

- We provide support in locating information to  
Students, Lecturers, Researchers etc.
- Contribute to accessibility of information.
- Value added support – identification, organization, storing, retrieval and dissemination of information.

# Library Membership

- All permanent staff members of the University of Jaffna.
- All registered students of this University (Undergraduate and Postgraduate)
- Any others should get the written permission to use the library for a short period of time.
- Readers are requested to fill the registration form to obtain the membership.
- Library membership doesn't expire until graduation.

- Degree certificate will be issued after you settle all dues in the library.
- Loss of membership card should be reported immediately.
- You will be charged a fine for the replacement of membership card.

G – (For undergraduates and Post graduates)
